## Jesus and the Samaritan Woman

### OUR STORY IS FROM: JOHN 4

Jesus and His friends traveled to teach people about God. They stopped in Samaria. While Jesus sat at a well, a woman came to get water. Jesus said, "Give Me a drink." She was surprised. Jews did not like Samaritans! She asked, "You want a drink from me?" Jesus said, "If you knew who I am, you would ask Me for a drink. I would give you living water." She asked, "What is this living water?" Jesus was not talking about water you drink. Jesus was talking about God's Spirit. Jesus told the woman that He is the Messiah. The woman left her water jar and ran to the village. She told the people to come and hear Jesus. Many people believed that Jesus is the Messiah.

### TODAY WE LEARNED

Jesus is different from other people. Jesus loves everyone, and He came to give people a free gift: salvation from sin. When we trust in Jesus, we worship Him as our Lord and Savior.

### FOR HOME

Drip water on straw wrappers-

Remove wrappers from straws by compressing the wrapper down the length of the straw. Set the wrapper on a table. Place one end of the unwrapped straw in water. Put a fingertip over the open end of the straw to hold water inside. Lift the straw out of the water and hover over the straw wrapper. Remove your fingertip to release a drop of water on the compressed wrapper. Watch as the wrapper expands. SAY: It looked like the wrapper came to life! But did it? (no)

Water does give life to humans, animals, and plants, but only for a short time.

Living water from Jesus gives life forever.

Jesus loves all people and offers the free gift of living water, or eternal life.
